The Thin King and the Fat Dog

When the fat King became thin, he called his tailor and ordered new clothes. He picked a pink jacket and a gold ring. But the jacket did not fit him, and the ring would fit his finger. The King looked at himself in the mirror and saw that he was no longer thin.

The King wanted to look thin again. He looked at his dog and got an idea. On that day, he gave a part of his food to his dog. The King was now careful and did not look around when he ate.

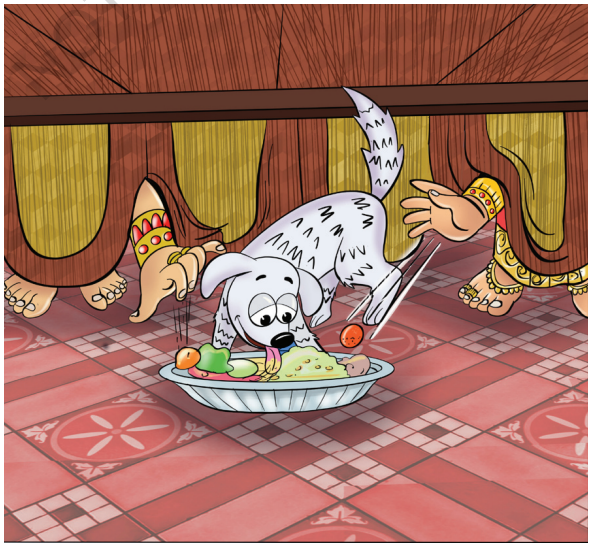

When the singer sang and sang, the King only looked at his food. The Queen could no longer give him a part of her food. So, she too started giving a part of her food to the dog.

The dog could not believe his luck! He was getting food from the King and the Queenand also eating his own food. Every morning and evening, he sat under the table. He ate from the King. He ate from the Queen. He ate his own food.

The dog ate and ate and got fatter and fatter. He did not run anymore and stopped chasing cats.

Soon they were a thin King and a thin Queen along with their fat dog.

Toto gets a Cap

Toto was a baby cat who lived with Papa cat and Mama cat. Toto wanted a cap like Papa cat. So, when Papa cat went out, he took Papa's cap, put it on his head and went out. The cap flew off his head and fell into a well. Now the cap was wet and dripping.

Toto placed the cap in the sun and waited under a tree till it dried. Now, the cap was dry but it looked different.

Toto took the cap back home and put it back in the pot.

He waited for Papa cat to come home. He prayed that Papa cat would not notice that the cap looked different

Papa cat came home and looked into the pot. When he saw the cap there, he was pleased. "You are a good cat Toto" he said. "You did not touch the cap while I was out. So, I will buy you a new cap today."

Papa Cat took out the cap and placed it on his head.

But how strange! The cap had become smaller and no longer fit Papa cat's head.

What do you think had happened?

The cap had SHRUNK when Toto dried it!

"Here Toto, said Papa cat "this cap is too small for me, but it will fit you. I shall get myself a new cap".

Poor Toto did get a cap after all but it was not new!!

Suddenly a gust of wind blew the cap off Toto's head. Toto ran after the cap. He got near the cap and bent down to catch it.

Just then the wind blew harder and it rolled further away. The cap flew in the air and when Toto looked up, what did he find?

There was the cap, sitting on the tree! "Got you" said Toto throwing a stone. O no, there went the cap from the tree on to the top of the wall.

"Got you" said Toto using a stick to poke the cap.

Oh! no, there went the cap falling from the wall into the well.

"Got you" said Toto using a rope and bucket to pull his cap out. Out came the cap but it was full of water and wet and dripping.
